

# RGS and Field and Stream band together to help wildlife

Contributed  
Sep 3, 2019

In mid-August, volunteers from the state Ruffed Grouse Society and Kittitas County Field and Stream Club banded together for a WDFW work party and removed about a mile of abandoned barbed wire fence near Ainsley Canyon on the LT Murray Wildlife Area. Find more of these groups' activities on social media and other WDFW volunteer opportunities at <https://wdfw.wa.gov/get-involved/volunteer>.
