KITTITAS COUNTY — Wild bird feed is available free at two Ellensburg businesses for those wanting to help birds get through the winter by keeping feeders well stocked.

The feed is available during regular business hours at Arnold's Ranch and Home, 615 S. Main St., and Shaw's Furniture and Appliance, 512 N. Pearl St.

The nonprofit Kittitas County Field and Stream Club annually makes the feed available through donations. This year, donations of oat and wheat for feed have been given by Kittitas Valley farmers Craig and Melanie George and Ron and Darcy Poulsen, according to club board member Bill Essman.
